

Reminder App - User Guide

Welcome to the Reminder App! This guide explains all major features and how to use them effectively.

Reminder App Features **1. Smart Reminders & Alerts**

Automatically sends notifications for tasks, events, and customer follow-ups.

2. Integrated Calendar View

View all your reminders, tasks, and events in a unified calendar layout.

3. Task & Customer Management

Track customer information, add notes, and schedule follow-ups easily.

4. Dashboard Analytics

Monitor reminder statistics, task completion status, and productivity insights.

5. Email/SMS/WhatsApp Integrations

Soon you'll be able to send reminders through Email, SMS, and WhatsApp automatically.

6. AI-Powered Follow-ups (Coming Soon)

AI-generated suggestions for follow-up messages and smart scheduling.

Thank you for using the Reminder App!
